There are 38 private or state land parcels spread out within the public area.

This State Forest land is managed cooperatively for wildlife by the DNR Wildlife and Forestry Divisions.

Look for Watchable Wildlife viewing area signs in this area, for locations and more information about trails or features.

Important!: 150 yards or 450 feet Safety Zones (No Shooting!) are enforced around all buildings and structures at all times. Be Safe! Always be careful around water and ditch/dikes for deep water!

For more information on this or other areas, visit the DNR online at www.michigan.gov/dnr.

Hunters are encouraged to call the local DNR office for more information.
