REGARDING WATERFOWL HUNTING and WATERFOWL PERMIT PROCEDURES:

1. Permits are issued for a morning hunt and an afternoon hunt.
Permit is only valid for the location and time designated on the permit.
2. A drawing will be held each hunting day at 5:30 a.m. for the morning hunt (local time) and at 11:00 a.m. (local time) for the afternoon hunt. To hunt together as a party in a Party Permit Area, all members of your group must register as a party prior to the drawing; exception is that one or two hunters not participating in the drawing, may join a party of two or three hunters, if those hunters who wish to join a party proceed to present their waterfowl license and duck stamp are to local staff running the drawing, and a fully completed registration card is filed in the check station prior to the drawing. There is a maximum of four (4) hunters per party.
3. Parties of two to four (2-4) hunters may apply in the drawing for Party Permit Areas 1-32.
Individuals or parties may apply for all other areas.
4. Morning permits are valid from opening hour to 12:00 noon; afternoon permits from 1:00 p.m. to closing hour.
The Party leader must report all game taken on the permit card and return the card to the check station before leaving the area on the day of the hunt.
5. Any permits left following the drawing will be issued on a first-come, first-served basis. No permits will be issued for the morning hunt after 10:00 a.m. nor after -4:00 p.m. for the afternoon hunt.
6. On any day you have participated in a morning drawing and are issued a hunting permit, you may not participate in the afternoon drawing. However, you are eligible for unused permits after the afternoon drawing.
7. A Party leader is allowed **ONLY** one zone change after the draw and prior to leaving the check station. After a change, the unwanted zone will reopen. However, once a permit for any post or zone is surrendered at the check station, it will not be reissued for that hunting period.

NOTE: You will need both a Federal and State duck stamp to hunt waterfowl, if you are 16 years age or older.

REGARDING DEER HUNTING: All deer hunting is by permit only and permits will be available at the check station.
