FTP C53-556
Compartment 33, stands 2 & 99
16.1 treatment acres

Objective: Planted red pine.

Methods: Trench then plant to red pine. Push trench line all the way to treatment edges.

Location: Otsego County, T32N R01W, Section 3

Comments:
Stand 2 (11.2 acres) - Clearcut in the winter of 2024/25 (Right or Wrong Pine, #53-005-22), slash masticated in the summer of 2026. A few small piles of pine slash are still present, but minimal overall. Stumps mostly low. Terrain gently rolling.
Stand 99 (4.9 acres) - Clearcut in the winter of 2024/25 (Right or Wrong Pine, #53-005-22), slash masticated in the summer of 2026. A few small piles of pine slash are still present, but minimal overall. Stumps mostly low. Flat terrain.

Access: Road 101 is narrow and not suitable for a transport/lowboy. Unload trencher at the old timber landing at the intersection of Road 52 and Twin Lakes Rd.

Recreation: Horse trails fall on most roads (open and closed) in the surrounding area. Elk Hill Equestrian Campground is nearby.
Fisheries: Sinkhole lakes nearby.
Wildlife/MNFI: No
Archaeology: No
Oil/gas: No
